CLEAN TOUCH

Clean Touch© is the breakthrough clean surface that leaves no traces after touching.

Clean Touch© laminate is a soft surface reflecting minimal light, suited to both horizontal and vertical applications. Clean Touch© is highly resistant to light scratches, abrasions, scuffs and dry heat, making it perfect for those high traffic areas.

Available in a selection of stylish ultra matte colours. Clean Touch© is the smart choice for those who want a hassle free, hard wearing surface.

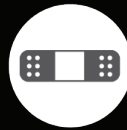

FEATURES

Anti-Fingerprint

Semi Anti-Bacterial

Thermal Self-Healing

Anti-Static

Easy to Clean

Mould Resistant

Water Repellent

APPLICATIONS

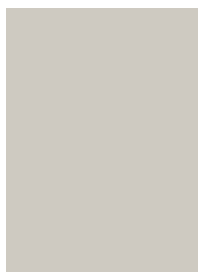

Clean Touch© is ideal for use in both residential and commercial projects. Suitable for Bathrooms, Kitchens, Hospitality, Healthcare, Childcare, Clinic, Pharmaceutical, Food & Beverage outlets, and other public places due to its hygienic surface and immaculate characteristics.
