Decorative plywood panel for walls & ceilings

ariaply is a factory finished plywood feature panel that is ready to install. Perfect for ceilings, soffits and internal walls, it is available in 6 attractive colours to suit any project.

Made from high quality exterior Hoop Pine plywood, ariaply is a premium product throughout, finished with a unique 3 coat system that provides both good looks and durability.

ariaply is the smart choice for wall and ceiling linings. Not only is installation quick and easy, but you will have the confidence of a consistent quality and finish that can only be provided by a trusted manufacturer with 90 years in the industry.

Fully manufactured in Australia, ariaply is backed by a 25 year bond warranty and a 7 year coating warranty. Choose ariaply for your next project and have the peace of mind that it will look good now, and for many years to come.
